Membership fees shown are annual and exclude GST. The NZGBC membership period covers the financial year 1 July - 30 June. For new members joining throughout the year, fees can be prorated from the date of joining to the end of the year.

Organisations joining as members from 1 January pay for the remainder of the membership year (to 30 June) plus fees for the following year at current rates.

Arrangements can be made for divisions or subsidiaries of companies to be included within parent company membership, on a case by case basis. This will be at the discretion of NZGBC. In such cases the staff or turnover bracket for the membership is based on the combined size of the entities included.

'Staff' means full time equivalent employees including support staff.
